

**Sec. 30-102. Storing of junked or wrecked motor vehicles and other junk prohibited.**

(a)

It shall be unlawful for any owner, lessee, or possessor of any lot, place or area, or any other person to store or abandon any junk, wrecked or used automobiles or motor vehicles on any part or parts thereof, or any other junk, discarded or abandoned major appliances such as refrigerators, freezers, ranges or machinery or other metal, tin or other discarded items on any neutral ground, street, or sidewalk, or on any vacant lot or on any unused portion of any occupied lot within the city unless such is adequately screened from the public view by being surrounded or enclosed by a board fence or other suitable enclosure so as to prevent it from being a public nuisance or an eyesore.
